

Mentor-Apprentice Program Work Plan

Please complete a detailed work plan for the 300 hours you will complete this year. On the form attached, please outline your planned activities and goals.

To guide your planning, think about the following questions:

- What are your language learning goals for the 300 hours? What are your goals for each 50 hours?
- What do you want to learn? The learning must be natural to you and where you live.
- What kinds of topics do you want to learn about? i.e. fishing, cooking, hunting, family etc. You can spend *at least* 20 hours of immersion on each topic.
- What kinds of activities can you do together to help accomplish your goals?
- Are there other language/culture experts in the community you would like to involve?
- Based on your work so far, what can you improve, expand and continue to work on?
- Based on your work so far, what do you need to practice more? What do you need more help with?

Be as specific as you can. For example, you may go on trips by car or on the bus, visit hunting grounds, cook meals together, or work with a different language expert.

During your activities, you will learn new words and practice using them in phrases.

If you require assistance in developing your work plan, please do not hesitate to contact the FPCC Language Programs staff.
