Keeper Conversations: A Gathering of Community Voices

Teamwork at Home, Grades 4 and 5

Introduction

Being responsible for keeping your home safe and healthy can be hard if you do it alone. Create a **responsibilities schedule** for your household so everyone can work together!

Part 1: Planning

Answer the questions below to start planning.

1. What needs to be done to keep your home safe, clean, and healthy, and how often should it be done?

Example: Dishes need to be washed after supper every day.

1. _____

2. _____

3. _____

2. Who lives in your home that can help with these responsibilities?

Name: _____

Date: _____

Part 2: Making a Schedule

Make a schedule of responsibilities for your home. For each day, choose **2** responsibilities that need to be done and someone to do them. At the end of each day, check the box if everything was completed.

Make sure your schedule is fair! Try to spread out the responsibilities so everyone shares.

Part 3: Two Stars and a Wish

After a week, reflect on how your schedule went. Write or draw:

- 2 things that went well
- 1 thing you wish could go better next time

STAR

What went well?

Part 4: Responsibility Champions!

Let's celebrate the work the people in your household did to complete their responsibilities! Decorate the badges below and give them to people in your home. If you need more badges, ask your educator to print more!

For each badge:

- Write their name and accomplishment. (Example: Fastest sweeper!)
- Add designs and colours to make it pop!
