

Acknowledgment

The First Nations Housing Professionals Association (FNHPA) is excited to bring you the Keeper of My Home activity books. This collection of books is based on the Keeper of My Home educational resource curriculum that was developed by First Nation housing and education experts, authors, artists and community members.

FNHPA would like to acknowledge and thank Canada Mortgage and Housing Corporation and the steering committee for developing the Keeper of My Home program. Candace Bennett, the Executive Director of the First Nations Housing Professionals Association, for giving us the opportunity to produce this project. Brooke Duggan, the Housing and Wellness Program Coordinator, for creating content for the books. Also, we'd like to express our thanks to Jay Odjick for doing the beautiful illustrations.

Facilitators Guide

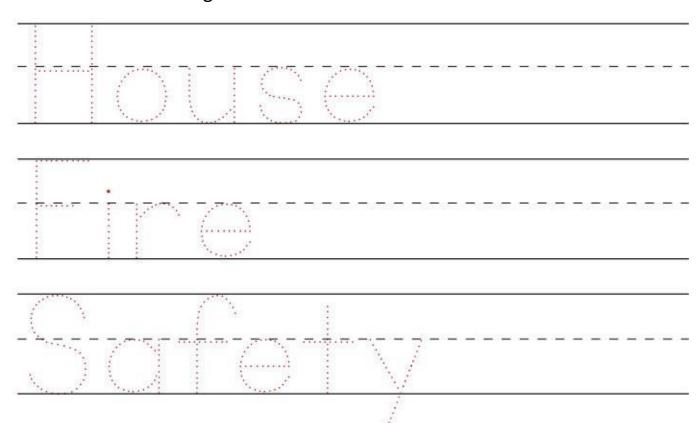

Keeper of My Home is a free educational resource that works towards improving awareness of First Nation housing, health, and safety by teaching children and young people about caring for a home. The delivery of the program is centred around four main themes:

- Traditional Teaching of the Community
- First Nation Housing Topics
- Home Maintenance
- Home Safety

Each theme has a learning objective designed explicitly for the grade level and aligns with provincial/territorial requirements. The curriculum includes classroom content and e-learning games that were created for teachers to deliver to students of all grades. By creating an activity book, we can further educate the students on the several topics within each theme in a fun and creative way.

In this activity book, you will cover four housing topics: I love my home, I know my home, I can help at home, and being safe at home. These activities will help you teach youth about the importance of caring for a home.
