Classroom-Ready Digital Resources

# Educator Pilot Program

## with the First Nations Housing Professionals Association (FNHPA)

We are looking for educators interested in piloting **Keeper of My Home** resources in their classrooms starting in October 2023. These digital resources teach students about housing, health and safety, and how to care for their homes.

### Who can participate?

K-12 educators teaching in-person or online in **First Nation community schools**

### What is the purpose?

We are gathering feedback about Keeper of My Home resources.

### What is your role?

- Integrate Keeper of My Home resources in your classroom from **October to May 2024**
- Complete an anonymous pre- and post-pilot questionnaire
- Enjoy our program incentives
