2.0 ABOUT FNHPA

The First Nations Housing Professionals Association is a national not-for-profit professional association exclusively serving the needs of individuals working for or aspiring to housing management positions with First Nations organizations or those working within the First Nation Housing Industry.

This Association's purpose is to expand housing capacity for First Nations in Canada by providing leadership to support housing professionals with services such as developing, promoting and delivering quality standards, practices, research, certification, education and capacity development services, and networking. Services will be provided to individuals and organization members who share the purpose of the association and meet criteria established by the Board of the association.

Housing professionals are key partners with their communities. They work with community members to help them access new homes and support them in maintaining healthy and safe homes as well as act as an information portal on housing trends, legislation and regulations applicable to on reserve housing. First Nations Housing requires fully trained staff in each community. Staff need the education and experience to design, finance, build, operate, manage and maintain housing assets. This means a national capacity building organization is required to provide housing staff with learning opportunities to expand their competencies to do so successfully. FNHPA is the organization to lead capacity development for First Nations housing. FNHPA will help to prepare individuals to work with new knowledge and skills and assist its members and their organizations to set strategic goals, successfully implement business plans, and deliver quality housing service programs as well as advise members, whether tenants or homeowners within the community.

As a national professional association FNHPA provides members with the following types of services:

- Competency and Ethical Standards
- Certification: courses and examination
- Education and Training
- National Conference and AGM
- Seminars/workshops
- Website/social media/networking
- Job listing service and other career supports

- Publications
- Research
- Housing and Wellness Programs
- Website Knowledge Centre, with tools, practice, articles, reports, etc.
- Promotion of both the designation and the profession
- Awards, scholarships and member discounts

The current Board of Directors includes:

- Darlene Marshall, FNHP, CIL, Chair
- Rosie Charles, FNHP, Vice Chair
- Harvey McCue, Secretary Treasurer
- Tabitha Eneas, FNHP, CIL, Director
- Seetta Roccola, FNHP, Director
- Teneal Nole, FNHP, Director
- Joanne Oskatamin-Potts, FNHP, Director
- Roxanne Harper, FNHP, CIL, Knowledge Holder

B. FNHPA Mandate

The following strategic statements have been developed and approved by the Board.

Vision:

FNHPA is the centre for professional standards, certification and other services for existing and future First Nations housing professionals across Canada.

A **mission** statement has been established to provide direction and support for FNHPA's vision.

FNHPA supports existing and future housing professionals in serving their communities by:

- ***Providing national standards***
- ***Delivering education and certification programs***
- ***Facilitating communication and knowledge-sharing***

To assist in providing greater direction towards achieving the vision and mission, goals have been established. These **goals** are numbered but not prioritized:

- 1. To develop capacity for housing professionals in First Nations through standard setting, certification and training.***
- 2. To attract members to FNHPA who have a desire to obtain and maintain a professional designation.***
- 3. To engage, promote and communicate while enhancing credibility.***
- 4. To support First Nations with timely and relevant products and services to enhance housing capacity.***
- 5. To obtain government, business and political support, and develop partnerships with like-minded organizations.***
- 6. To pursue the vision and mission in an innovative, effective and financially responsible manner.***

*Government support includes but is not limited to: First Nations, Municipal Regional/Local), Provincial/Territorial, Federal

3.0 PROJECT BACKGROUND

Through a three-year phased transitional approach, the Centre of Excellence for Matrimonial Real Property (COEMRP) will find its new home with the FNHPA; Canada's only national center for professional standards, certification, and services for existing and prospective First Nations housing professionals. FNHPA is enthusiastic about picking up the torch and continuing to expand upon the critical work initiated by NALMA COEMRP.

The transition of COEMRP operations to FNHPA marks a significant milestone in the organization's efforts to champion the First Nations housing industry and reinforces the commitment to ensuring housing professionals have the resources and support needed to make a meaningful difference in their communities and support their community members.

FNHPA is interested in educating and informing housing staff and developing the necessary tools and resources for them to share with governance and community members, therefore, FNHPA will not be pursuing special project funding to assist First Nations in designing their MRP laws, policies or protocols.

4.0 SCOPE OF WORK – REGIONAL CONSULTANT

The FNHPA will engage one (1) Regional Consultant through a 3-year term contract and will train and equip them with the knowledge, tools and materials necessary to respond to First Nation inquiries from community members for which region they represent. Responses will be based on providing guidance on FHRMIRA or First Nation MRP Laws that have been enacted. Each of the four Regional Consultants will be responsible for one of four (4) regions across Canada which have been identified as follows:

1. British Columbia/Yukon/Northwest Territories;

The FNHPA is seeking MRP Regional Consultant to:

- Act as the primary contact responsible to respond to all MRP related inquiries from First Nations, community members and Housing and Lands staff and provide a referral service in a supportive and timely manner.
- Serve as subject matter expert offering assistance and guidance to First Nation communities and Housing and Lands staff to navigate the MRP and FHRMIRA legislation.
- Must deliver advice on FHRMIRA and how the Legislation applies to First Nations with a sample approach on when the consultant can be contacted (day's and times) by community members or their First Nations Housing or Lands staff to seek necessary advice on FHRMIRA or MRP Laws and Legislation.
- Delivery of a presentation on FHRMIRA through an approach defined by the consultant and MRP Manager.
- Ensure all referrals are tracked using the referral system which will ensure effective and efficient responses to outline all inquiries for successful implementation. Referral system chart to include, but not limited to:
 - Dates of contact
 - Client names
 - Client contact information
 - First Nation
 - Land Regime
 - Consultation topic and all details of discussion
 - Follow-up system to document all outcomes
- Participate in regional events, when required, to be determined by the Manager, MRP.

- In coordination with the MRP Program Staff, the Consultant will attend the regional sessions to respond to specific questions and scenarios from participants.
- Provide regular program status updates to the Manager, MRP.
- Work and collaborate with the MRP Program Coordinator and MRP Administrative Clerk to achieve best results to responding to all MRP inquiries.
- Attend the FNHPA National Conference to assist with a pre-conference workshop that will ensure Housing staff are acquainted with their regional consultant and provide a question/answer session and understand how MRP legislation impacts individuals and families living on-reserve.
